Krishna Jamal : Heartsmart Flavours of India before purchasing it in order to gage whether or not it would be worth my time, and all praised Heartsmart Flavours of India:

0 of 0 people found the following review helpful. Really worth buying!!!By Tigu K.I've used this cookbook so many times and each time the food has turned out really tasty with so much flavour... Her meat masala can be used in so many different ways, the best part is different dishes taste different even after using the same masala... Her recipes are easy to follow and most importantly - Good for the Heart!! Highly Recommended2 of 2 people found the following review helpful. Good Cook BookBy A CustomerHas some great recipes. Helped my dad who had a heart attack with his cravings for Indian food. A must-have for Indian food lovers.

Not many people realize that one of the world's greatest cuisines — Indian — is actually a result of overlapping cultural influences. This best-selling cookbook deliciously brings to life the resulting contributions of these different cultures by offering over 100 easy-to-follow recipes from India, Pakistan, Goa, Bangladesh, Sri Lanka, and East Africa. The book will also appeal to cooks demanding taste adventures that are heart-healthy: recipes are low-fat and

low-salt and each recipe comes with a complete nutritional background. Color photographs are featured.

"It's a flavourful introduction to healthy Indian cooking made easy for today's kitchen"
