I felt in love with Thai food while my last trip to Thailand and I wanted to prepare some of the recipes at home. Since I couldn't buy any cookbook while I was there because there was no English version I searched and found this one which is definitely amazing. The recipes have the true Thai taste, they are easy to prepare and definitely heavenly. My favorite one is: Tom Yam Pawn Soup. I definitely recommend this

book to everybody who wants to try something new and different!0 of 0 people found the following review helpful.  
Delicious Thai recipesBy KatieI love cooking and I really love to cook some Asian dishes. I have learned to prepare a couple of Japanese and Thai dishes from a couple of my Asian friends. I bought this book to learn to prepare a few more Thai dishes. I really love the way Alvina has explained the essential ingredients of Thai cuisine and how the different flavours - sweet, hot, sour and salty come together to form some really delicious Thai dish.
