0 of 0 people found the following review helpful. Home Bread Making Guide SimplifiedBy aliceThere are some helpful tips, but mostly common sense. My bad because I was looking for recipes and not how to advice. Still you would think there would be some recipes included.2 of 2 people found the following review helpful. Some Basic Tips for Bread-Making BeginnersBy GeraldineThere are some basic tips in this Ebook that may be helpful for anyone who has never made bread before. But as an avid cook and baker, I didn't find anything new here.I also thought that the author should have included at least 2-3 basic, recommended bread recipes to try (with photos) at the end of the book.Deleted from my kindle already.2 of 4 people found the following review helpful. waste of timeBy CustomerNot one recipe on how to make bread just tips on if you already know how to. Waste of time.

Home Bread Making Guide Simplified. Everything You Need To Know About Making Bread At Home Easily! If you look at the ingredients in the supermarket bread that you and your family eat, you will be shocked to know what is inside. You see, most breads today contain sugar (yes sugar or corn syrup) and a whole lot of other scary and unhealthy ingredients such as bleached wheat flour and many more. Check any bread in any supermarket and you will be shocked at the ingredients. Just take a look at a picture of the ingredients in white bread. Click on the link below or copy and paste it into a new window in your browser <http://tinypic.com/r/110ejuv/8> Are you shocked and disgusted as I am? When I first discovered this, I asked why? Why is this even allowed to happen? Why are corporations feeding us poisons? Giant corporations do this simply to make money. And our health suffers for it. The truth is, the bread that we eat today is not the same bread that our grandparents ate. Food items are becoming increasingly processed and unhealthy. These days we are eating food for flavor, not for nutrients. You have to take charge of your own health and your own eating decisions. That is why we encourage you to make your own bread at home. This not only saves you money, but it is also much healthier for you and your family. This is why I wrote this book. To start you off learning how to make bread at home Making bread at home is actually very easy...once you know how.
