Ever brew up a batch of beer and everyone loves it, but you forgot the recipe or what you did to it to make the batch of beer so special? Well, the Homebrewing Log Book makes it easy to take all the notes that you need to be able to repeat a brew in the future. The book is set up like the popular "Blank Recipe" books, but with a home brewer in mind. You can quickly fill in the spaces with the recipe and important information. There are also areas to write special notes and instructions. The Homebrewing Log Book makes keeping brewing records quick, easy and convenient.
