The fresh scent of just-out-of-the-oven cookies or a warm and toasty apple pie is hard to ignore. And more often than not, these scrumptious smells are reminiscent of our fondest childhood memories—playing games with siblings at grandmarsquo;s house, or curling up by the fireplace and listening to grandma tell tales of her own childhood. As we mature, grow older, and start our own families, we often lose sight of these precious memories until something or someone reminds us of them. *Homemade Cakes* is a trip down memory lane that takes you back to your childhood kitchen and reminds you of the precious moments you had growing up. Recipes include beloved classics such as:• Decadent Chocolate Cake• Blueberry Pancakes• Fresh Banana BreadHome baking is an excellent way to foster relationships with your family and spend time with loved ones. These memories are sure to last a lifetime. *Homemade Cakes* is a sure way to build new memories and reminisce about old ones.
