**Bob Ostrander, Derrick Morris : Hoosier Beer: Tapping into Indiana Brewing History (American Palate)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Hoosier Beer: Tapping into Indiana Brewing History (American Palate):

Crack open a bottle of Champagne Velvet and dive into the first complete history of brewing in Indiana, where the beer history is as old as the state itself. More than three hundred breweries have churned out the good stuff for thirsty Hoosiers, and this city-by-city guide gives readers a sample of every spot, allowing time to savor the flavor while sharing the hidden aspects, like the brave and hearty brewers who assisted the Underground Railroad and survived Prohibition. The unmistakable Hoosier personality and spirit shine in the classic labels and advertisements, many of which are displayed here in vibrant color. Join Indiana beer enthusiasts Bob Ostrander and Derrick Morris of [hoosierbeerstory.com](http://hoosierbeerstory.com) on a pub crawl through this state's proud beer history.
