Shawndra Shofner : How It Happens at the Pizza Factory before purchasing it in order to gauge whether or not it would be worth my time, and all praised How It Happens at the Pizza Factory:

Book by Shofner, Shawndra

From Booklist From the How It Happens series, this book shows the making, packaging, and distribution of frozen pizza. A typical double-page spread includes two large, color photos and several lines of text discussing matters such as the ingredients needed and the nightly cleaning of the equipment. Since frozen pizzas are a staple for many families, the topic is well chosen. The text explains the processes clearly, though the pictures sometimes look fuzzy. A short glossary and two recommended Web sites are appended. Another title in this serviceable series is How It Happens at the Motorcycle Plant (2007). Phelan, Carolyn
