Salem Kirban : How Juices Restore Health Naturally before purchasing it in order to gage whether or not it would be worth my time, and all praised How Juices Restore Health Naturally:

2 of 2 people found the following review helpful. a Great GiftBy KathyThis is a book I have owned for a long time and I thought it would make a wonderful gift to two friends who have decided to make lifestyle changes towards good health. Very simple language, easy to follow recipes for every condition. I love this book and would recommend it for anyone who has not seriously paid attention to their health. Very encouraging.
