From Knopf Canada : How to Be a Domestic Goddess: Baking and the Art of Comfort Cooking (*Metric) by Nigella Lawson (Oct 28 2003) before purchasing it in order to gage whether or not it would be worth my time, and all praised How to Be a Domestic Goddess: Baking and the Art of Comfort Cooking (*Metric) by Nigella Lawson (Oct 28 2003):

With a writer's flair, Nigella brings you everything from brownies to bagels, from gooseberry-cream crumble to double apple pie, from pizza to pistachio macaroons, from festive bake to Barbie cake. She shows you that it's not hard to bake a tray of muffins, or a sponge layer cake. This book feeds our fantasies, understands our anxieties and puts cakes, pies, pastries, preserves, puddings, bread and biscuits back. Its not about being a goddess, but about feeling like one.
