Laura M. LaVoie : How to Drink Craft Beer: A Beginner's Guide before purchasing it in order to gage whether or not it would be worth my time, and all praised How to Drink Craft Beer: A Beginner's Guide:

0 of 0 people found the following review helpful. Very good starterBy Kindle CustomerThis book delivers on the promise stated in the title. As a novice beer drinker this book has answered many of my questions. It isn't an exhaustive resource but definitely provides enough information to demystify all the choices available. And it is short enough to be a handy resource when shopping.1 of 1 people found the following review helpful. Excellent if you're confused by all the varieties of craft beerBy Cara SchulzExcellent book for the craft beer beginner. If you're confused

or irritated or daunted by all the varieties of craft beer (ummm...isn't it all just...beer?) pick up this book. Especially helpful is how she talks about the flavors of each variety and relates that to something the layman would know. Gives you a good starting point to confidently explore craft beers, but isn't snobby or filled with jargon. 0 of 0 people found the following review helpful. LaVoie knows beer! By David D. Salisbury A fabulous guide for anyone interested in taking the mystery and snob out of the world of craft beer. LaVoie is from the capital of craft beer and her experience really shows in this book.

Designed for the beginner beer drinker, this book describes the flavors in some of the most common styles found in today's craft beer culture. Author Laura M. LaVoie believes there is a beer for every palate and hopes that novice beer drinkers will find just what they are looking for next time they belly up to the bar.

About the Author Laura M. LaVoie is an author, blogger, and freelance writer living in the mountains of Western North Carolina. There she shares her 120 square foot home with her partner and their hairless cat, Piglet. While not enjoying beer, Laura also writes and speaks about the tiny house movement.
