1 of 1 people found the following review helpful. Good Book for beginnerBy G BatesI'm new to oriental cooking was having trouble figuring out some broths elements. This book shows what you need how to prepare it. The abundant pictures help with each step. It was straight to the point not wordy like many cookbooks. It explains how to prepare

fish, chicken, pork broth, the vegetables seasonings, as well, as ramen noodles. It was well worth the money. I recommend this book for those beginning this style of cooking. do-zo meshiagatte kudasai! Kindle edition1 of 1 people found the following review helpful. Doing Ramen RightBy WayneThe book was very informative!!! I'm opening a restaurant in Westchester, NY and this will be required reading for all employees!!!!Great Reading!!!!0 of 0 people found the following review helpful.
