Hugh Johnson : Hugh Johnson's Pocket Wine Book 2016 before purchasing it in order to gage whether or not it would be worth my time, and all praised Hugh Johnson's Pocket Wine Book 2016:

5 of 5 people found the following review helpful. Without doubt the best concise guide to the world's wines - however one ...By John M. BeardWithout doubt the best concise guide to the world's wines - however one cannot really call it a "Pocket Guide" anymore as it now has 336 pages. I used to buy the guide every year from the first one in 1977, but now plan every other year - the first I missed was 2014. Hugh Johnson is one of the most knowledgeable people in the world of wine, and for this guide draws on information from many regional specialists. If one wants to learn about reliable producers and interesting varietals from all over the world, this guide can take you from your current "comfort zone" to many other zones of enjoyment.2 of 2 people found the following review helpful. The BestBy Tony Marquise Jr. Every year this little book is the best new book printed that covers the whole world of wine. This edition follows in the footsteps of previous editions and is better than ever. Want to know the whole picture of wine in todays world? There is no better source of info than this book.2 of 2 people found the following review helpful. Great guide!By GinnyI have been buying these annuals for decades. I give them as gifts at birthdays and Christmas. I often add a bottle of wine to the gift. Everyone loves them and they look forward to receiving one the next year. They in turn buy them and give them a gifts. My one gift them turns into dozens of more copies being gifted. Great guide!

Hugh Johnson's Pocket Wine Book 2016 is the essential reference book for everyone who buys wine - in shops, restaurants, or on the internet. Now in its 39th year of publication, it has no rival as the comprehensive up-to-the minute annual guide. Hugh Johnson provides clear succinct facts and commentary on the wines, growers and wine regions of the whole world. He reveals which vintages to buy, which to drink and which to cellar, which growers to look for and why. Hugh Johnson's Pocket Wine Book gives clear information on grape varieties, local specialties and how to match food with wines that will bring out the best in both. This year's edition also contains a special color supplement on Riesling.

About the AuthorHugh Johnson is the world's pre-eminent writer on wine. First published in 1977, his Pocket Wine Book sells hundreds of thousands of copies a year. His winning formula of insight, critical appraisal of the world of wine, plus valuable vintage news and wine recommendations has been often-imitated but never bettered. With the publication of his first book, Wine, Johnson established himself at the age of twenty-seven as the most refreshing and authoritative voice on the subject. During the past four decades he has written books that have become landmarks on the subject, including his classic The World Atlas of Wine, co-authored with Jancis Robinson, his Wine Companion, first published in 2003, and The Story of Wine. In his spare time he writes about gardening from his home in London.
