**Tarek Malouf : Hummingbird Bakery Cupcakes Muffins** before purchasing it in order to gage whether or not it would be worth my time, and all praised Hummingbird Bakery Cupcakes Muffins:

0 of 0 people found the following review helpful. one of the best baking booksBy toofi malekI love itI love itI love itit is one of those books that i cant put down and always come bake to.I tried several recipes and they turned out great. the lavender cup cake was amazing, the chocolatechips cookies were to die for...and the best thing is that most of the recipes make about a dozen of cupkaes / muffins / or like 24 cookies.. which i love because i bake almost every day and hate it when i have left overs :))2 of 2 people found the following review helpful. Great ideas but I like my recipes betterBy Justine HiltonI heard great things about the hummingbird bakery, however, but when I tested out the recipes I though either I was doing something wrong or the UK has a much different take on what cupcakes and muffins should taste like. If you like dense cupcakes this is your book.0 of 0 people found the following review helpful. Four StarsBy CustomerWell thought out recipes

The Hummingbird Bakery is the destination bakery for Londoners with a passion for great cakes. In this irresistible book, the chefs from the bakery share their recipes for a range of deliciously light cupcakes with pretty buttercream frosting and muffins in a variety of flavours. Hummingbird recipes not only taste great but also look spectacular - without resorting to fussy recipes and hours in the kitchen.

About the Author Tarek Malouf opened the first Hummingbird Bakery in London's Portobello Road in 2004. When he was growing up, his favorite treats were always American desserts and cupcakes, and he later wanted to open a bakery in London that specialized in these treats. A second branch opened in South Kensington in 2004 and a third opened in Soho in December 2009.
