DaamsI just got this book from the library, and now i must own a copy myself... thank you for being so reliable!I love the creativity in this book. the easy desserts made with twinkies, ho hos, etc. I am in heaven!16 of 19 people found the following review helpful. Good book but...By D. KruaysiriwongThis book is good in term of simplicity. But there's one big problem (for me). Most of the recipes in this book don't have any picture. You might have no idea what the final product should look like. I think that's kinda bad because one picture for one recipe should be the minimum requirement for a cook book!!!

50 no-bake cake recipes in full color.

Lauren Chattman offers us an impressive array of no-bake cakes, from classics like Tiramisu Icebox Cake to the innovative Cappuccino Crunch Cheesecake. Icebox Cakes is bound to become a summertime--or anytime--favorite. --Tish Boyle, editor-in-chief of Chocolatier magazineAbout the AuthorA former pastry chef, Lauren Chattman is the author of nine cookbooks and co-author of numerous other books, including Dessert University with former White House pastry chef Roland Mesnier.
