Steve Koonce : Idaho Beer:: From Grain to Glass in the Gem State (American Palate) before purchasing it in order to gage whether or not it would be worth my time, and all praised Idaho Beer:: From Grain to Glass in the Gem State (American Palate):

0 of 0 people found the following review helpful. Must Read for Idaho Craft Beer fansBy CustomerI really enjoyed reading "Beer and Brewing in the Inland Northwest" by Herman Wiley Ronnenberg which covered the History of

Breweries in the State of Idaho. Dr. Ronnenberg's book cover the history of brewing in Idaho from the beginning in the 1850's to 1950. This book starts where Dr. Ronnenberg's book stops with detailed stories about craft beer breweries in Idaho from Tim Batt's Snake River Brewery in 1984 to the nearly 40 breweries that we have in Idaho in 2014. Stories about the brewers, the owners and the farmers that grow the hops and barley and the producers that make the malt for the beer. Steve does an excellent job in presenting the story line of brewing in Idaho. And if you live and drink craft beer in Idaho, many of the people in the book will be familiar to you. Thanks Steve.....great read for Idaho Craft Beer fans. 0 of 0 people found the following review helpful. Too much history about the beer crafter people to my taste making it a repetitive rather dull read. Glad By Frances in Idaho I learned much about the beer crafting business by reading this book. Had not expected the book to be so technical thought it would be more a directory summary about each of Idaho's beer houses. Too much history about the beer crafter people to my taste making it a repetitive rather dull read. Glad, however, Idaho is showcased through this book as a serious state for finding good beer. 1 of 1 people found the following review helpful. My Son Wrote a Beer Book By J. Koonce 5 Stars, but then again my son wrote the book. I did learn more about Idaho and Beer than I ever thought I wanted to know.

In a state famous for producing great potatoes, it's easy to forget about Idaho's barley and hops. Few states can boast the quality barley grown in southern and eastern Idaho or the aromatic hops grown in Treasure Valley. These crops combine to create a beer that is distinctly Idaho--a taste of home. Join author Steve Koonce as he surveys the best brewers from across the state. Koonce tracks the state's storied brewing heritage and offers an in-depth look at Idaho's vibrant modern beer scene. With more than twenty breweries statewide, there's so much to see, and taste, in Idaho. Enjoy a refreshing guide to the best brew the state has on tap.

About the Author Steven J. Koonce writes the beer blog Idaho on Tap" for the Times-News in Twin Falls. He spent more than a year as a sales rep selling beer across the country for Epic Brewing Company in Salt Lake City, Utah. Steve has worked as a television producer at stations across the country and currently runs his own media production company in Twin Falls."
