Maideh Mazda : In a Persian Kitchen: Favorite Recipes from the Near East before purchasing it in order to gage whether or not it would be worth my time, and all praised In a Persian Kitchen: Favorite Recipes from the Near East:

0 of 0 people found the following review helpful. Persian cook book By Customer Ordered the In A Persian Kitchen cook book because I borrowed a previous one I had to my daughter and she never returned it, and I need to do some brushing up on my Persian cooking for a party I was having. This cook book is one of my favorite books to use when I want to do some authentic Persian cooking. I just love the easy to follow recipe instructions and I also like that it has the recipes written on one page in English and on the opposite page in Farsi. It also has a list of spices and ingredients

translated from Persian to English so I can find the same ingredience at my local grocery store. That makes my Persian cooking very authentic. I will not be borrowing this cook book to anyone again because I do not want to lose this one like I did the first one. I ordered this cook book as used, so I could get it cheaper and the book came to me in very good condition. I could hardly tell that it was used previously. Very satisfied with my purchase.0 of 0 people found the following review helpful. This was the third book I ordered to gift a ...By gagarThis was the third book I ordered to gift a cousin, my daughter and her sister-in-law. I had been given the book as a gift by a dear friend more than 30 years ago and I still use it to guide me today; specially when it comes to dishes with specific herbs.0 of 0 people found the following review helpful. My Persian Proff loved it.By VentuDebeThis book has been in publication for over 40 years. Showed it to my Persian professor and she wants a copy too. It's how I learned to make Ta Chin (sp?).

Much more than just a Middle Eastern cookbook, *In a Persian Kitchen* offers a look at a rich culinary culture in delightful detail. With colorful notes that reflect her family's traditions, Maideh Mazda offers readers the possibility of creating the delicate flavors of Persian cuisine. Maideh prioritizes economy and availability of ingredients, while at the same time offering wholly authentic recipes for such delicacies as: Pomengranate Sauce Ashe Reshte, a hearty beef noodle and lentil soup scented with cinnamom Ashe Torsh, a delicate dried fruit soup with cinnamon and mint And many morehellip;Notes on preparation and reflections on her experience of Persian food and eating customs growing up in a traditional Azerbaijan household make this book "a pleasure to read" mdash;The New York Times.

"Maideh Mazda's *In a Persian Kitchen* is at once a fascinating collection of recipes and, for anyone interested in the foods of other lands, a pleasure to read." mdash;The New York Times"This book is well worth owning for its appearance alone, for its binding, paper, chapter introductions, illustrations, and type faces are consistently graceful, appropriate, and charming. In fact, grace is the keynote of this whole volumehellip; " mdash;The Christian Science Monitor"From the beginning pages on how to prepare Yogurt on through the salads and desserts, one is constantly aware of the delicate combination of flavors, clear concise directions and exciting recipes in each chapter." mdash;St. Paul Dispatch"Spicy reading of an unusual kind." mdash; Asahi Evening NewsFrom the Back CoverAs long as I can remember I have always been fond of good food and have always taken an interest in cooking. I believed that my interest in cooking began when I was a little girl and lived with my grandmother in Baku, Russia. Grandmother, who was an extraordinary woman for her time, was a tall, strong, and very handsome lady. In her deep-set black eyes on could see the kindness, generosity, and hospitality for which the Persians have always been famous.
