**E. P Veerasawmy : Indian cookery,: For use in all countries** before purchasing it in order to gage whether or not it would be worth my time, and all praised Indian cookery,: For use in all countries:

0 of 0 people found the following review helpful. Out of print, great book and service to find it.By Jane S.Got this great book for a friend to travels to India often and appreciates true Indian food. Had learned about it in another good book which mentioned it was out of print and hard to find. Then there's this amazing service that connects you with used book stores. A great symbiotic relationship. Condition as described, arrived in a few days. Can't ask for more.
