Balbir Singh : Indian Cookery before purchasing it in order to gage whether or not it would be worth my time, and all praised Indian Cookery:

0 of 0 people found the following review helpful. One StarBy CustomerDifficult book to get in to.1 of 1 people found the following review helpful. good priceBy ken muyo swansonused library book but it thrilled my wife. Book is really hard to find and price was right and every thing is right with the world0 of 0 people found the following review helpful. Excellent book.By Glen in IowaExcellent book.

This book contains exciting and comprehensive receipes for from India including curries, kebabs, rice dishes, breads, desserts, ice creams, sharbats, and squashes, pickles, chutneys and other preserves. The Author has sought to present genuine Indian receipes in a form that American readers can use, but without westernizing them all out of recognition.
