Connie Asch : Indian Designs for Jewelry and Other Arts and Crafts before purchasing it in order to gage whether or not it would be worth my time, and all praised Indian Designs for Jewelry and Other Arts and Crafts:

0 of 0 people found the following review helpful. Valuable reference for the artist!By Natasha HillThis bookl offers a spectacular reference to any artist whom is interested in designing themes. As an artist its the holy grail for me because I'm AWLASYS looking for a library of reference images and guides for my art and subjects of the Native American is a must for me!0 of 0 people found the following review helpful. Great for jewelry design.By Di-annePerfect for jewelry designing needs. It has more specific designs for jewelry. It is quite useable and inspiring. Handy reference.0 of 0 people found the following review helpful. Good bookBy JRThis book has some really nice designs. I use them to put on leather.Very accurate American Indian designs.Great book!Well done.

An excellent collection of designs that may be used to decorate most every type of craft from leather to pottery.
