Guide to Indiana's Breweries:

0 of 0 people found the following review helpful. Great gift idea for your beer lover!By T WareWe got this book for my father-in-law because he loves the craft beer scene. A very interesting book with the history of breweries in Indiana and all the ones around. We have already talked about taking a trip to tour them. There are many I didn't even know existed!1 of 1 people found the following review helpful. Great Guide to Indiana Beer!By CustomerIf you live in Indiana or plan to travel indiana, this is the beer guide for you! Tons of useful information on brew pubs, where to go and what to try. I'm going to use this book for my beer blog [...] and start going out and trying these great beers!1 of 1 people found the following review helpful. Indiana: One Pint at a TimeBy MitchA lot of fun and informative. Visually terrific. I've used it to plan where to stop to eat and drink fresh and local beers. I highly recommend it to Hoosiers and anyone visiting Indiana.

Indiana: One Pint at a Time explores the history and living artisanal culture of the state's long, vibrant brewing tradition. Using regional, ethnic, and commercial lens, the book, written by Douglas A. Wissing, depicts the early nineteenth-century origins of Indiana's commercial breweries, through the early twentieth-century heyday when forty-one Hoosier breweries hustled beer, to the mid-twentieth-century consolidation and decline. The book focuses on Indiana brewing's remarkable post-1989 renaissance. Today more than thirty breweries produce award-winning craft microbrews across the state. Indiana: One Pint at a Time provides a travel guide to these craft breweries, interweaving their stories with Indiana architecture, ethnicity, and regional specificity, connecting the dynamics of today with the luster of the past.

About the AuthorDouglas Wissing is a journalist and author from Bloomington, Indiana, who has contributed to such publications as the New York Times, Washington Post, and the Los Angeles Times. He has written two guidebooks to Indiana and is the author of Pioneer in Tibet: The Life and Perils of Dr. Albert Shelton.
