Excellent Cookbook Of Undiscovered FoodsBy CustomerI spent some time in Indonesia, and the food there is excellent, and rarely does anyone outside of Indonesia know of it. This recipe book instructs you how to easily make this food. The steamed buns, sweet pancakes, coconut rice, chicken satay and the rest are excellent meals. One change I would make: I have had great chicken satay with chicken thigh as well as chicken breast. But this is an excellent book overall. Buy it and serve up a treat!
