Very Disappointed in Lombard, ILBy N. B. ZimbleI was very disappointed. I expected to get some real traditional Italian recipes and there were very few...Also a bit confusing as the pictures did not match the recipes which would have been helpful. One picture of her family would have been enough, I would have preferred more pictures of the recipes.....9 of 9 people found the following

review helpful. What a disappointment!By Sandi ZuberI pre ordered this for her famous cannoli recipe. It's not in there. What a disappointment!

Kathy Wakile's Indulge is a great find for home cooks that want to know how to make Italian and Mediterranean treats. Reading the book, I felt like Kathy was speaking directly to me, giving me the keys to great baking. I could feel the love transcending every recipe from classic treats, like pastiera, to more exotic desserts, like apple ricotta zeppoli and hazelnut chocolate cream kisses. She's from a large family and continues to cook for them. No chef certificate is needed when an opinionated family indulges in every sweet bite she makes.
