Great Cakes/ Great PhotosBy Nicholas TobierI have a good number of cookbooks--more than I usually assume I have, and certainly more than I use frequently. While I purchase each cookbook with a certain aspiration of (eating great food, learning a new cuisine) this is one of just a few cook books I have that I turn to over and over. Part of that is because the cupcakes are simply very inventive without being over complex or too fussy. There are cupcakes in here that are consistent hits when I've made them--Bright and Cheery Orange is one of my favorites.Aside from that, the photos of the cupcakes are terrific--and show off food not only as edible, delectable, but as visual form. If you're in any doubt, go straight to The Car Bomb cupcakes--recipe and photo--pure sculpture, all great cupcake.8 of 8 people found the following review helpful. Yummy!!!By Susan BI heard about this book on npr and had an upcoming party that I promised to make cupcakes for, so I thought these would be a great idea. I've made a couple of recipes (choc stout and banana upside down). Both were amazing! The choc stout cupcakes were such a hit at the party - very moist and the cream cheese icing is to die for. The recipes were easy to follow, and there are great tips throughout the book. Definitely a fun twist... this will be my "go to" choc cupcake recipe from now on!1 of 1 people found the following review helpful. Delicious treats!By Amy SmithI got this book and have been drooling as I look through it, gazing at the beautiful pictures that accompany the recipes. This is a very fun collection with a lot of exciting cupcakes to help slowly clean out my alcohol stash. I started with the Buttery Cinnamony Cupcakes this week, and they were a huge hit. I'm excited about so many of the recipes in this book and can't wait to

Ever find yourself wondering what to do with all your leftover booze? Bake it! This ingenious little cookbook offers bakers of all levels forty-one ways to combine two household favorites: booze and cupcakes. With a variety of delicious recipes including Banana Upside-Down Cupcakes, Pina Colada Cupcakes, Hot Toddy Cupcakes, Strawberry Daiquiri Cupcakes, and plenty more, dessert lovers are sure to find several favorites. Also included are baking tips and tricks throughout, luscious-looking photography, and templates to make your very own cupcake wrappers and decorative stencils.

Washington Post Express, 8/01/11 "With 41 recipes modeled after Bloody Marys, champagne, and Dark and Stormys, the recipes give luscious treats."Tulsaworld.com, 8/1/11 "Forget the champagne. Kate Legere can show you how to toast with a cupcakehellip;.Legere has combined two vices - yummy cupcakes and booze - into a fabulous little cookbook."San Antonio Express-News "Intoxicated Cupcakes" is a great gift for the girlfriend who is the host of happy hour and dreams of opening her own cupcake shop."Gayot.com, 9/9/11 While they may not be appropriate for an elementary school bake sale, there's no doubt these cupcakes would make for a fun finale to a bachelorette party, bridal showers or birthday\_\_ as long as your revelers are of legal drinking age."
