Eveleen Coyle : Irish Potato Cookbook: Traditional Irish Recipes (Traditional Irish Cooking) before purchasing it in order to gage whether or not it would be worth my time, and all praised Irish Potato Cookbook: Traditional Irish Recipes (Traditional Irish Cooking):

1 of 1 people found the following review helpful. Potatoes are one of my favorite foods. I'm going to Ireland in 3 weeks
By D. M. Crowther Potatoes are one of my favorite foods. I'm going to Ireland in 3 weeks. The cookbook is small and light enough to pack. I'm keeping a journal and will take notes about all the ways I experience eating

potatoes. 17 of 17 people found the following review helpful. For those who love a well-cooked potato By M. Ernsting Over the years I've bought loads of cookbooks featuring cuisines from all over the world. I love using new ingredients, but at the end of the day the potato remains at the heart of many meals. I was delighted to be given this cookbook. I never knew there were so many ways to cook a potato, and so far all the recipes I've tried have turned out very well. I like the nuanced info on how to get the best out of your potato variety. It's not a big cookbook, but I like that too. It's a great gift for potato loving friends, and even though some recipes include meat, in general it's an excellent choice for vegetarians.

The most versatile and adaptable of all vegetables, the potato is indelibly associated with Ireland. In this handy book, you will find a collection of delicious recipes including old favourites like colcannon, boxty and Dublin coddle, as well as exciting new suggestions such as Parmesan potato cakes, roast potatoes with garlic and rosemary, and even a delicious potato pizza!

About the Author Eveleen Coyle has a background in book publishing, writing and editing. She is the author of the Irish Potato Cookbook. Eveleen is one of the founders of Fabulous Food Trails, in both Dublin and Cork, city-based walking and tasting tours.
