bit more writing from the author's voice within each chapter. I think the cover is nice and conveys clearly what the theme of the book is. All in all, nice concept with this one! Looking forward to trying out some of the recipes.0 of 0 people found the following review helpful. yummy yummy yummyBy Martin KantorA cheerful funny altogether delightful little book with a mile long personality, based on a great original idea deliciously realized and done to a turn. Have fun.1 of 2 people found the following review helpful. Cookie cookbookBy S. GingrasThis is a good cookbook for easy, fun cookies. I love getting recipe books for my kindle so I can view them anytime I want.

It's the Cookie, Mr. President highlights our eclectic elected by way of a common denominator ndash; the cookie. The wordplay that connects the recipes and the quotes is inspiring. The book revives quotes from forty-four U.S. Presidents, with a refreshing combination of words and sugar. The book is short and sweet, with approachable recipes and clear instructions. It's a perfect gift for the mom or dad who loves to bake and debate, or anyone who understands that baking cookies is cheering in its simplicity and familiarity as well as its affordability. Save dough by home-baking - just add basic ingredients and a little bit of patriotism, and you'll find a hobby that will endear and endure and make for a tasteful election season!
