**Ivan Orkin, Chris Ying : Ivan Ramen: Love, Obsession, and Recipes from Tokyo's Most Unlikely Noodle Joint** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Ivan Ramen: Love, Obsession, and Recipes from Tokyo's Most Unlikely Noodle Joint:

0 of 0 people found the following review helpful. KodawariBy KenLocally sourced ingredients, emphasis on quality, flavor-fulness and joy made this man's restaurants a success. Artisanal' foods from a ramen angle is what made this an exceptional read; most unusually the author shares his proprietary recipes to illustrate the simplicity and exhaustive processes behind his brilliance. Plus I enjoyed him on 'Mind of a chef'. This is his story.1 of 1 people found the following review helpful. Not just cookbook, but a cook-let me tell you a story-book.By ShoeSoulShineI enjoy the personal touch of the stories with the recipes. You can almost taste the food without lifting a finger to cook! Can't wait

to dive into a recipe.6 of 7 people found the following review helpful. This is a great book of perseveranceBy CustomerThis is a great book of perseverance, humor, triumph and a quirky Jewish man from New York going to Japan to fall in love with Ramen, the most quintessential Japanese comfort food. His book is laid out well for recipes and it's fun reading about his experiences in Japan as well as back here in the good 'ol USA.

The end-all-be-all guide to ramen featuring more than 40 recipes from Ivan Orkin, the iconoclastic New York-born owner of Tokyo's top ramen shop. While scores of people line up outside American ramen powerhouses like Momofuku Noodle Bar, chefs and food writers in the know revere Ivan Orkin's traditional Japanese take on ramen. Ivan Ramen chronicles Orkin's journey from dyed-in-the-wool New Yorker to the chef and owner of one of Japan's most-loved ramen restaurants, Ivan Ramen. His passion for ramen is contagious, his story fascinating, and his recipes to-die-for, including the complete, detailed recipe for his signature Shio Ramen, master recipes for the fundamental types of ramen, and some of his most popular ramen variations. Likely the only chef in the world with the knowledge and access to convey such a candid look at Japanese cuisine to a Western audience, Orkin is perfectly positioned to author what will be the ultimate English-language overview on ramen and all of its components. Ivan Ramen will inspire you to forge your own path, give you insight into Japanese culture, and leave you with a deep appreciation for what goes into a seemingly simple bowl of noodles.
