5 of 5 people found the following review helpful. One of the best books of its kind By HyoGreat book with lots of recipes, a wide range of ingredients, and very much in the izakaya spirit. A few standards, but many more new recipes. Very much like the izakaya I used to visit when I lived in Japan. Nice photography as well. 4 of 4 people found the following review helpful. Izakaya is like a Japanese version of a tapas bar. It's a bar that serves a lot of food. The best way to eat in an izakaya is to go with a group of people, so you can sample lots of dishes. In this beautiful illustrated book Hideo Dekura turns your kitchen into your very own Izakaya. Invite your friends and family round to enjoy the experience of your very own Izakaya as Hideo Dekura guides you through step-by-step instructions on how to create your very own Japanese tapas. The recipes in this book covers all areas of an Izakaya from the food to the drinks for your guests to enjoy. (Hideo Dekura)
