Chefs at Jakes Famous Crawfish Restaurant, Edward Gowans : Jake's Seafood before purchasing it in order to gauge whether or not it would be worth my time, and all praised Jake's Seafood:

0 of 0 people found the following review helpful. I absolutely love this cookbook By AutumnLeaf I absolutely love this cookbook. I actually bought it as a replacement because I completely wore out the original. I love the recipes and even having it for so long there are some I haven't tried so always a new adventure. The recipes are easy to follow with ingredients that are on hand in a well stocked kitchen. 0 of 0 people found the following review helpful. My wife likes it. By K.T. Portland I bought it for my wife, she likes it so much she bought one for her brother too. To me, it's just another cookbook. 5 of 6 people found the following review helpful. Simply the finest you will find By A Customer It is difficult to appreciate with words, the overarching quality and class of Jake's establishment's in Portland. Having been to both, I cannot say enough. Orange roughy, so memorable that now, 6 years later, I can remember this particular dish. Anyhow, I've made the chowder from this cookbook, back when I was in Portland, and it was so fantastic that the we all concluded it was one of the finest dishes the palate could behold. Just unbelievable texture and flavor. Does anyone know the recipe for their chocolate torte cake? I don't believe they'll ever let that one out into the public domain, for the entire world would well go mad with joy. Perhaps we could use a bit of this just now. Buy the book!!

This tantalizing array of outstanding fish and shellfish recipes draws on the abundance of the Pacific Northwest's ocean harvest and the region's long tradition -- begun over 100 years ago at Jake's Famous Crawfish Restaurant in Portland, Oregon -- of cooking the very freshest seafood with simple techniques and innovative ingredients. Filled with advice on choosing, storing, and preparing a wide variety of fish and shellfish and generously illustrated with full-color photographs, Jake's Seafood Cookbook is an essential collection of spectacular dishes for novice and expert alike.

About the Author The chefs at Jake's Famous Crawfish Restaurant boast culinary backgrounds ranging from France to Indonesia to the Pacific Northwest. Some are graduates of the finest cooking schools, while others have honed their skills at acclaimed restaurants. Collective Edward Gowans is a Portland-based photographer who specializes in food and garden photography.
