Green : Japanese Cooking for the American Table before purchasing it in order to gage whether or not it would be worth my time, and all praised Japanese Cooking for the American Table:

5 of 5 people found the following review helpful. ExcellentBy A CustomerThis is an Excellent book for beginners. The recipes give ingredients found in American markets. This is very useful if you don't live near a rare Japanese market. If you want to learn to cook Japanese dishes, this is the best place to start.
