I thought this would have more unique stories not found in his column. There were but they weren't as entertaining or as in-depth as I would have liked. Was a quick read and would be good for someone coming into Philly for the first time as a quick reference guide. However, this has not been updated so a few of the drinking establishments no longer exist. 0 of 0 people found the following review helpful.

Best Vacation Book Ever!! By zerby I bought this prior to going on our summer vacation to Philadelphia. Luckily we had it with us on our first afternoon of exploring. This book lead us to some spectacular spots! We ran into some great bars, had fantastic drinks, and met up with great bartenders.
