BUY THIS ONE!By Any Day Is Better With PieI am going to come back and post a useful detailed review here but since I am crunched for time, I just want to sayBUY THIS BOOK IF YOU LOVE TO BAKE!It is criminal that I have not posted a worthy review because this author deserves recognition here in the U.S. I own more baking and cookbooks than the Library of Congress. This one is a winner. The recipes are both accessible AND original. The British baker was the winner of a national bake-off across the pond and I am hoping this is the first of many baking tomes in his illustrative chef career.0 of 0 people found the following review helpful. Nice bookBy mom in VTMost of the recipes just don't appeal to me - no fault of the author

John Whaite, winner of the 2012 Great British Bake Off, bakes everywhere he goes - at food festivals, as a guest on

the nation's top cookery shows, at Le Cordon Bleu school where he is perfecting his craft and as teacher at his new cookery school. Yet his favorite place to bake is still at home, creating delicious treats and feasts for his family and friends. In *John Whaite Bakes At Home*, John shares with us those recipes he saves for his nearest and dearest. The lunches, brunches and afternoon teas he whips up when his parents come to visit, the indulgent sweet bakes and savory pizzas he has waiting when his friends come to stay, and the picnics, confectionery and special occasion cakes he prepares for, and with, his nieces and nephews. So whether you want a birthday cake to impress or a comfort food feast to welcome the whole family, if you're after straightforward homemade recipes with a modern twist, this is the book for you.

About the Author John Whaite is the winner of BBC 2's *The Great British Bake Off*, 2012. He has been a keen baker and cook since he was a tiny tot, when he would spend many hours in the kitchen with his mum. From banking to baking, after winning the *Bake Off* John was able to give up his mundane day job as a city commercial banker to focus on the one thing he is truly obsessed with: food. In 2013 he fulfilled one of his lifelong dreams and attend Le Cordon Bleu in London to study the nine-month patisserie diploma.
