I believe this book is a must have on a well stocked shelf of cookbooks! I have made many recipes off of Joy's blog and am beyond excited to start cooking from her book. I think I am most excited to make the Extra Crumb Coffee Cake! This is a book full to the brim with scrumptious looking recipes and delightful writing! Go buy it!0 of 0 people found the following review helpful. Four StarsBy GenTreesThe chocolate salted peanut butter ice cream recipe alone is worth the price of the book.1 of 1 people found the following review helpful. My mother loved receiving this as a giftBy oolong teaMy mother loved receiving this as a gift! She's been following Joy's blog for a few years now and so this was the perfect present. What she loved about it was the images! Joy also photographs her own food so that's a bonus. We like to know what the heck our stuff is supposed to look like in the end ;) Also, she has fun recipes with combinations we didn't even think to put together. Definitely a must if you're a

fan of her blog and love to eat amazing treats :)

Joy the Baker Cookbook includes everything from "Man Bait" Apple Crisp to Single Lady Pancakes to Peanut Butter Birthday Cake. Joy's philosophy is that everyone loves dessert; most people are just looking for an excuse to eat cake for breakfast.

"Joy modestly admits that she is not a classically trained pastry chef, however, her book proves how that can actually be an advantage. Joy bakes with her complete heart and soul, writes from the gut, and makes us feel that we too can make magic in the kitchen."?Sara Kate Gillingham-Ryan, cookbook author and creator of TheKitchn"The best thing would be to have Joy the Baker \*actually\* bake all these things with you in your kitchen. The next best thing is reading her book, written with the exact same charming, hilarious in-person style that makes you feel like she's right there with you, sharing the recipes that come from her heart and soul."?Sarah Gim, TasteSpotting"Joy is what made me want to bake. Stumbling on her blog was one of the luckiest and most inspirational things that has happened to me. Not only does she have recipes that could kill a man or woman (in the this-is-so-delicious-I-can-die-now way), she also is brilliantly funny and her insight and commentary on life is incredible. She's an insanely talented writer and an even better baker. To put it simply, she's the best ever, and I love her like crazy. The fact that I get to declare that to the world in her incredible cookbook is, to be completely earnestly cheesy, just icing on the cake."?Emma Stone"When I first heard the name "Joy the Baker," I immediately felt happy and warm. I couldn't help it. And in the years I've gotten to know Joy the Person--and her beautiful, warm, comforting style of food--I can say without hesitation that she absolutely lives up to her name. Joy the Baker brings joy--through her writing, through her food . . . and through her unabashed enthusiasm for life."?Ree Drummond, author of The Pioneer WomanAbout the AuthorJoy Wilson is a self-taught cook who grew up baking with her Dad. In 2006, she started a wedding cake and wholesale baking business in L.A.. In 2008, she began the Joy the Baker blog, which was named "Best Baking Blog" by Foodbuzz in 2009, and was also nominated for "Best New Blog" in the 2009 Bloggies. In 2010, it was again nominated for a "Best Food Blog" Bloggie. It was named one of the "Top 50 Food Blogs" by The London Times. Joy is also a co-founder of On the Lamb, a roving events company that throws speakeasy parties, underground suppers, and teaches culinary classes all over Los Angeles. Along with her co-founders, she has gained a big following in Los Angeles after being featured on Daily Candy.
