The book Juicing Recipes for Rapid Weight Loss is great for those who aren't good at making their own recipes. I want to do lots of different juices. Some of our favorites included broccoli-cabbage-kale, pineapple-cranberry-apple, and spinach-ginger-lemon. This is a good book to start juicing with and to start living more healthy with. It's really simple, tasty and healthy!0 of 0 people found the following review helpful. Five StarsBy Sticker SherylGREAT JOB0 of 0 people found the following review helpful.
