Herersquo;s a treat every chocolate fan will devour! These 80 quick and easy recipes encompass cakes and pies, muffins, puddings, tarts and parfaits, hot and cold desserts, and a host of other irresistible chocolate indulgences. Highlighted with full color photographs, the luscious delights include a Chocolate Truffle Cake featuring rich dark chocolate with an intense cocoa flavor, an airy and devilishly delicious Chocolate Angel Cake, and a White Chocolate and Berry Pie thatrsquo;s to die for. But this is more than just another recipe collection—itrsquo;s also chockfull of information about how chocolate is made, what determines its taste and quality, and historical detail. Plus, it features a how-to guide for chocolate aficionados, with extensive instructions for working with chocolate.
