**Cathy Marie Hake, Deborah Boone : JUST COOKIES COOKBOOK (Christmas at Home (Barbour))** before purchasing it in order to gauge whether or not it would be worth my time, and all praised JUST COOKIES COOKBOOK (Christmas at Home (Barbour)):

1 of 1 people found the following review helpful. Good basic recipes By Margaret Van Meter Clear instructions mean successful results. I have tried several already and look forward to adding some of these great creations to my standard Christmas cookie list. A great deal for less than \$4.0 of 0 people found the following review helpful. to bring joy to anybody... By Reader Views Reviewed by Olivera Baumgartner-Jackson for Reader Views (10/07) If you are looking for a last-minute stocking stuffer or a small gift, the books in the "Christmas at Home" series are a sure bet. The "Just Cookies Cookbook" features an amazing array of cookie recipes that would be extremely suitable for holiday baking, but will definitely taste good during other seasons as well. The book is divided into eight chapters, each of them more tempting than the next: Holiday Festives, Chocolate Decadence, Delicious Drop Cookies, Pretty to Decorate - Roll and Press Cookies, Bountiful Bars, Marvelous Meringues and Macaroons, Oh-So-Quick and Easy and Mason-Jar Cookie Mixes for Gift-Giving. With the recipes as diverse as Little White Mice, Secret Kiss Cookies, Aggression Cookies, Amnesia Cookies and Polka Dot Oatmeal cookies, you can bet you will find one for anybody on your Christmas list. The recipes come from a number of countries, among them Germany, Norway, Sweden, Italy, Scotland, Mexico and more. At least one of them dates back to 1880s. All of the recipes that I've tried turned out well and they were easy-to-follow. As with any cookbook, I would have preferred to have photos of the finished cookies included to have as a reference and guide. I also would have liked to have an Index of the contents. The recipes in this charming little book, "Just Cookies Cookbook," are interspersed with quotes about holidays and joy; and together with the cute, tiny format would truly make this a gift to bring joy to anybody who will receive it. Received book free of charge. 0 of 2 people found the following review helpful. cookie book By Marie McCormack This book was very different than I was expecting and I'm rather disappointed. First of all it's tiny and I didn't find the cookie recipes appealing.

This festive, ""wintry"" collection of cookie recipes features ideas for everything from traditional Christmas cutouts to unique meringues and jar mixes-all perfect for gift giving.

About the AuthorCATHY MARIE HAKE is a southern California native, who loves her work as a nurse and Lamaze teacher. She and her husband have a daughter, a son, and a dog, so life is never dull or quiet. Cathy Marie considers herself a sentimental packrat, collecting an
