1 of 1 people found the following review helpful. nice receipesBy pjcbbooksI have a friend who is of Philipine heritage and she also took a look at the book and recognized the receipes that her family uses. The ingredients are not hard to find and the directions are good. It would have been even better with color pictures of the finished dishes.2 of 2 people found the following review helpful. The Filipino cuisine is a bit of a fish in the water in the Asian region, becoming a merry mix of various influences ndash; from Spanish, American, Malay and Chinese cooking. The combination of this different cooking style influences with the abundant food sources of the country has created a tasty and unique cuisine that the Filipinos can call their own. Kain Po! A Collection of Simple Filipino Recipes will show you how to create authentic Filipino dishes that will excite your palate.
