Ken Hom : Ken Hom's New Chinese Cookery before purchasing it in order to gage whether or not it would be worth my time, and all praised Ken Hom's New Chinese Cookery:

A revised and updated edition of his classic cookery book. Redesignated and re-illustrated in a larger format to become the classic reference book for Chinese cooking. Combines old favourites like Cashew Chicken with new recipes like Steamed Salmon with Black Beans and Mango Chicken. With background information on ingredients and techniques.
