Paul J Menta : Key West Native Fuel before purchasing it in order to gage whether or not it would be worth my time, and all praised Key West Native Fuel:

KEY WEST NATIVE FUEL - Key West Edition is a flavorful blend of sea salt honey, fruits vegetables, and seafood fish of the Florida Keys. Woven together with insights, recipes and regional food history Paul Menta calls Native Fuel, "Not just a cookbook, but a food adventure!" The series emphasizes old and new Keys dishes, food secrets from local residents, healthy preparation and the value of sourcing local foods. The book's intriguing recipes invite experimentation, while vivid photographs present food as art, making NATIVE FUEL a "Cookbook for your Coffee Table!" www.KeyWestFuel.com
