Sanjeev Kapoor : Khana Khazana before purchasing it in order to gage whether or not it would be worth my time, and all praised Khana Khazana:

0 of 0 people found the following review helpful. Two StarsBy ThorsteinnInteresting content for sure, but the layout makes the book close to unusable.1 of 1 people found the following review helpful. PerfectBy JAWED ALEEMThe perfect book, with the right recipies to celebrate Indian cooking. Sanjeev Kapoor has really given us the key to great cooking.0 of 0 people found the following review helpful. Not bad... not greatBy C. J. ThompsonI quite like this book but I probably wouldn't recommend it to anyone but real hard-core afficionados of Indian cuisine. The book is written by an Indian and is clearly aimed at an Indian rather than a western audience so, while one can be sure that the dishes on offer are not the typical Indian restaurant specials, many of the recipes use ingredients that are not common in the west and are written in a somewhat unfamiliar style. There are also, I noted, a couple of dishes which call for specific

Masalas for which no recipe is provided; obviously, the author felt that his reader would be familiar with them. Prospective purchasers should also be aware that, although the title describes the book as a 'celebration of Indian cookery, the dishes are largely selected from Maharashtra and India's four most southerly states. That wasn't a problem for me particularly but I probably would have given four stars if there were more illustrations of the food.

Picking the best of the delicacies from a number of states in India Sanjeev Kapoor once again brings a winner.

About the Author Sanjeev Kapoor has almost become a household name and every kitchen has benefitted by his wonderful recipes. Anchor of a popular T.V. show for over ten years the Author has won national and International laurels for his craft. Consultant to a number of Hotel chains, it is amazing to note that he finds time to bring out such wonderful cookery books.
