Elizabeth Andoh : Kibo (quot;Brimming with Hopequot;): Recipes and Stories from Japan's Tohoku before purchasing it in order to gage whether or not it would be worth my time, and all praised Kibo (quot;Brimming with Hopequot;): Recipes and Stories from Japan's Tohoku:

2 of 2 people found the following review helpful. Great book great cause".By brandon haleI have one other of Andoh's book and this one is just as fine. She make preparing complex Japanese dishes less daunting, if you are interested in Japanese cooking this is a must.....1 of 1 people found the following review helpful. Regional Foods of JapanBy Andrea ChinUnusual, good information and local recipes for foods, plus a worthy cause. Not a lot of pictures, not a lot of recipes, however the recipes are very easy and the reading is informative. Sharing the regional culture with others and helping the local community is fantastic.0 of 0 people found the following review helpful. Five StarsBy DJ MermaidDelicious recipes for a good cause.

This cookbook is a heartfelt and fascinating tribute to the food, traditions, and courage of the people of Japan's Tohoku region before and after the devastation of the earthquake and tsunami of March 11, 2011. It features traditional recipes such as Miso-Seared Scallops, Pinched-Noodle Soup with Pork, Salmon-Stuffed Kelp Rolls, and basics like rice, stocks, and sauces, along with sake pairings and essays on Japan in recovery from journalists and food writers. *Kibō* was written by Japanese culinary authority Elizabeth Andoh, who was in her Tokyo kitchen when the Great Eastern-Japan Earthquake struck. Over the following months she witnessed the strength of the people of the Tohoku region—one of the largest miso- and sake-producing areas in Japan—as they struggled with the effects of the resulting tsunami and nuclear accident. She was inspired to write *Kibō* (meaning “brimming with hope”) to not only tell the story of the food of the Tohoku region but also to document the experiences of its people, both before and after the disaster. This lushly photographed original eBook will honor the region and its rich culture on the first anniversary of the earthquake, with a portion of the proceeds going to Japanese recovery efforts.
