Attention adults! Cooking is best enjoyed when the whole family is involved, including the kids. That's where "Kids Do Baking" comes in - a whole cookbook designed especially for them. Imagine the fun that kids will have being in charge of the kitchen - baking up a storm, enjoying the kitchen, and maybe even honing natural cooking talents along

the way. This collection of 77 recipes will let kids feel the thrill of making their own bread from scratch and delight family and friends with delicious baked goods like Boatload of Oat Muffins, and Mr. Squirrels Shortbread.
