Henry Dimbleby : Leon. Baking Puddings before purchasing it in order to gage whether or not it would be worth my time, and all praised Leon. Baking Puddings:

5 of 5 people found the following review helpful. Lots of Delicious IdeasBy trilingual1946This British book has many delicious baking and dessert recipes. American users should be aware that the measurements are shown in metric, which means having a kitchen scale to weigh ingredients, and also in British teaspoons and tablespoons, which are slightly larger than their American counterparts. If you're baking from this book in the U.S. it may take a bit of trial and error to get the exact results you were looking for.

The third cookbook from the healthy fast food chain Leon, this volume contains hundreds of recipes for everyone from

the novice cook to the baking aficionado.
