Alisa Morov : Les Petits Plats Francais: Sensational Cupcakes before purchasing it in order to gage whether or not it would be worth my time, and all praised Les Petits Plats Francais: Sensational Cupcakes:

Cupcakes are still incredibly popular and the craze only seems to be spreading throughout the world. In this book you will find a less sickly-sweet take on the craze with sophisticated ideas like Chili-Chocolate or Earl Grey cupcakes alongside more classic buttercream-topped confections. Illustrations demonstrate icing and decoration ideas and techniques and equipment are clearly explained in the introduction.

About the AuthorAlisa Morov is a cook and food stylist. She moved from Los Angeles to Paris where she started her company Sweet Pea Baking.
