By meatballsma I have been using this book with my class of 4-6 adults with special needs. It's been fantastic! It engages them in the lesson and they are excited to come each week. They love to share what they've made with their families. We've made all but 3 recipes so far and they have all be very easy and very good! The lesson is perfect for their level, the Bible verses are great and the amount of time set aside for each lesson is perfect.

Gathering in the kitchen has become synonymous with sharing love and making memories. The warm, inviting atmosphere creates an environment where learning and the exchange of ideas readily take place. What better way to nourish a growing faith in God with children? *Life Is Sweet: 12 Baking Devotions for Kids* is a cookbook and teaching resource rolled into one. You don't have to be a professional baker or teacher to enjoy working with children and making Bible lessons fun! Designed for use with girls and boys ages 6 and up, each lesson features a recipe, complete with a photo guide that is easy enough for even beginning bakers to follow. A devotional is also provided, which the teacher can incorporate during the baking process or can read with the kids while the goodies cool. The cooking lessons feature general themes, along with scriptures, that will help children grow and develop a Christ-like character. Perfect for use with small groups of children, this hands-on learning experience will help children remember and apply God's Word to their daily lives.
