Emi Kazuko : Little Japanese Cookbook 97 ed before purchasing it in order to gage whether or not it would be worth my time, and all praised Little Japanese Cookbook 97 ed:

1 of 1 people found the following review helpful. Authentic Little Japanese CookbookBy Arthur1414I own about 20 Japanese cookbooks, ranging from Tsuji's "Japanese Cooking: A Simple Art" (the most elegant and informative) to silly titles like "Donburi Mania" (that I enjoy despite some strange donburi recipes like Pork Stroganoff Donburi).Still, this "Little Japanese Cookbook" remains a personal favorite. A friend bought this for me shortly after it came out, and I, in turn, have bought it for many friends. It has a nice sampling of recipes that are everyday favorites in Japan. The recipes are authentic, unlike many of the questionable recipes you can find on the internet.Want to make something

most people like? Try the Oyako-Don, Tonkatsu (served with Bull-Dog - Vegetable Fruit Tonkatsu Sauce 10.1 Fl. Oz.), or real miso soup. I've never met anyone who didn't like all three.1 of 1 people found the following review helpful. fun little cookbookBy Customerfun little book with great paintings of food. authentic recipes. good to have as a collection with the others in this series.1 of 1 people found the following review helpful. Five StarsBy Hopecute darling book

Anyone who has ever enjoyed a Japanese meal knows that it is a feast for the eyes as well as the stomach. Based on time-honored, simple cooking methods and fresh ingredients, A LITTLE JAPANESE COOKBOOK contains a selection of delicious recipes and easy-to-follow instructions for traditional Japanese soups, starters, main dishes, and beverages. Full-color illustrations.
