From Lucky Peach : Lucky Peach Issue 19: Pho before purchasing it in order to gage whether or not it would be worth my time, and all praised Lucky Peach Issue 19: Pho:

9 of 9 people found the following review helpful. David Chang does it againBy R.C.B.Love what David Chang has brought together in Lucky Peach. I love pho and never would have thought about making it at home. Now I have some great recipes to tackle it, and have learned so much through this issue about the history and development of an iconic dish, and the differences between northern and southern approaches, eh oh helps me to interpret the different phos I get at local shops. This is a great issue.4 of 4 people found the following review helpful. Good recipes and fun art per usualBy CustomerGood recipes in this issue and, as always, super weird and interesting art. I love that Andrea Ngyuen was part of this issue - A pho issue wouldn't be complete without her input. Love the history and illustrations2 of 2 people found the following review helpful. I love Pho and to learn of it's historyBy Xuan T.So much info and interesting reading material! I love Pho and to learn of it's history, different cooking methods, how it's evovled and to learn more about the Vietnamese culture in general is a priceless experience for me.

Lucky Peach is a quarterly journal of food and writing. Each issue focuses on a single theme, and explores that theme through essays, art, photography, and recipes. Lucky Peach #19's theme is Pho.

"A glorious, improbable artifact... Lucky Peach is not only something to behold, it is also something to hold, a reminder of print's true wingspan."—The New York Times "A masterpiece of modern-food culture." —Time "The magazine's tone is so casual it's almost drunken. Its aesthetic is a graphic pulp pastiche of drawings, photo essays and kitsch—you'll discover traces of comic books, handwritten script and recipes presented in science-lab format." —The Wall Street Journal "There's been a sudden growth in magazines for food obsessives eager for more than just recipes. Lucky Peach... is perhaps the cleverest. A nerdy, witty high-end- fan-zine, it makes smart use of Chang's contacts, with Anthony Bourdain, Harold McGee and Mario Batali among the contributors." —The Guardian
