José Maréchal : Macarons (Secretos de Pasteleria) (Spanish Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Macarons (Secretos de Pasteleria) (Spanish Edition):

A clear and instructional book to dominate the art of Parisian macaroons! Macarons will teach you the tricks and secrets to making these delicious treats so they always come out perfect. The book is structured in a way that includes the ingredients necessary as well as their characteristics and how to correctly process them. It will explain the basic techniques with critical points while presenting delicious recipes as well as variations. Thus, Macarons is the best class

for anyone who wants to learn how to cook from scratch as well as improving on their techniques.
