Parragon Books, Love Food Editors : Macaroons before purchasing it in order to gage whether or not it would be worth my time, and all praised Macaroons:

0 of 0 people found the following review helpful. Can't wait to make macarons!By FL Gators#1I have this book and it has some interesting recipes. Easy to follow directions and a great selection of recipes.0 of 0 people found the following review helpful. MacaroonsBy Debora Basini-HermanA great book, the only one you will need to make great macaroon cookies. If you need additional tips, you will find on utube. My first batch, I had the "little feet" on my cookies. Can't wait to bake again. I would recommend purchasing a macaroon mat, the size of the cookies noted on the mat. Can purchase from .0 of 0 people found the following review helpful. The book itself is awesome it gives step by step directionsBy MeshaThe book itself is awesome it gives step by step directions. And the photos are brilliant. Now I understand that it's used but there was no reason the seller could not have wiped the food off the book before shipping.

This beautiful photo-filled cookbook is packed with easy to follow recipes for picture-perfect macarons every time, from simple classics and perfect coffee companions to decadent desserts, including fruity, fancy and extra-special flavors. Light, fluffy, and impressive for any occasion, this book breaks down the mystery behind one of the world's most delicious cookies and makes it easy for anyone to bake delicious macarons.
