Madhur Jaffrey : Madhur Jaffrey's Foolproof Indian Cookery before purchasing it in order to gage whether or not it would be worth my time, and all praised Madhur Jaffrey's Foolproof Indian Cookery:

0 of 1 people found the following review helpful. Disappointed purchase from Canada...Not worth returning.By MrsICP428I don't believe "acceptable" condition includes the cover completely off the pages. The book was not intact. Received 2 pieces in the mail. I taped it. It's ok. Cheap enough book, just not what I expected from "acceptable" because it is really not.

Jaffrey is is renowned as an international authority on Indian food. In this book she demonstrates how to cook 40 well-

known, classic Indian recipes with step-by-step instructions. All use readily available ingredients.
