Have used a few recipes so far and enjoy using these easy to understand cook books.0 of 0 people found the following review helpful. -ing customer serviceBy shoppermomFirst of all, this is one of my best loved cookbooks! Maida Heatter's Book of Great Desserts is a fantastic source for fabulous baking and desserts, which is exactly why I bought this to give to my sister who has a block when it comes to baking. (Shh don't tell her I haven't given it to her yet!) But that aside, I wanted to write a review to comment on the amazing customer service I received and why I always look at first for online purchases.In the last few months, I have been ordering a lot of things for a big family party in another state, so every order is going directly to the party site. My mom-in-law gets to look at the boxes as they arrive. When this book arrived, according to her, it looked like it got messed up in printing. I called customer service and immediately the representative did his magic. He insisted on overnighting a new copy of the book at no cost (even though that wasn't necessary) and emailed me a return label to send the bad copy back. All this without me even having looked at the book! The new copy arrived in perfect condition the day after, even before mom-in-law got the bad copy to the shipper! WOW!! Seriously customer service you can definitely count on! And I know my sister will become the baker she is destined to become!2 of 2 people found the following review helpful. A wonderful source of inspiration explanationBy sheri johnsonGreat book that breaks down elements of baking. This

book is for the baker who is ready to take the next step into advanced baking. It is a must to read the pages before the recipes, they are full of useful information. My husband encourages me to bake from this book often!

Gathers recipes for cakes, cookies, pastries, crepes, blintzes, popovers, cream puffs, puff pastry, pies, cheesecakes, ice creams, and souffles.

From the Inside FlapHere are nearly 300 recipes, each of them worked out to fool-proof protection: Raspberry-Strawberry Bavarian, creamy Black-and-White Cheesecake, Walnut Fudge Pie a la Mode and many more. 35 line drawings.About the AuthorMaida Heatter, a.k.a. "the Queen of Desserts", is the author of nine classic dessert cookbooks, including the New York Times best-seller and James Beard Award-winning Maida Heatter's Book of Great Desserts. She is a member of the James Beard Foundation Hall of Fame, has been named to Cook's Magazine's Who's Who in Cooking, and was one of the first people inducted into the Chocolatier Hall of Fame.
